Get to know you questions....

Would you like to visit the Farm in the growing season? Willoway farm is a pleasure to visit and we welcome visitor's family and friends alike. Keep in mind families with kids need to fully supervise the kids when visiting. If this interests you this can be arranged on a Saturday afternoon. Stop by on the way to the Kettle Moraine Trails.

Volunteering is certainly welcomed. Everyone's summer gets busy so volunteering is something you may not have time to do all the time. One visit alone might just satisfy your desire to dirty your hands.

NO REFUNDS AFTER MAY 15th
